Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner informed the Applicants that there was an error in the Office action mailed out on 6 March 2008 causing some confusion as to whether or not the action was Non-Final or Final. The previous Office action should have been clearly indicated to be a Non-Final Rejection instead of implying that it was a Final Rejection. Accordingly, for clarification purposes, the Rejection of 6 March 2008 is clearly stated herein to be a Non-Final Rejection. Applicants' response filed 6 June 2008 has been entered.
